- Working really hard on opposing plus/minus grading. Spoke with attorneys and there are very limited options with that path. Spoke to a donor here at WKU. I will speak to anyone that will listen. I have given a lot of interviews.
- We are organizing a rally for November 20 at Garrett Conference Center at 2:30pm. We are waiting to get a permit for the rally from Dean Bailey.
- We will start a petition. We will start as publicity campaign. I sent out letters to all of the Senators that contained a report from EKV saying that plus/minus grading was a bad idea.
- It is our duty to represent the students to the best of our ability.
